WREKENTON NOU CAMP YOUTH FOOTBALL CLUB

About us

Here at Wrekenton Nou Camp we offer youth football training for all levels, ran by F.A qualified coaches. The club is a non profit charity ran by volunteers. All our volunteers are dba checked.

We currently have tots trainings, 24 teams aged between 7-16 years playing in youth leagues and Wrekenton blue star adult team training within our grounds.

Our secure grounds enhance training experiences and are maintained to a fantastic level by our amazing groundsman Andy, who was awarded 'Groundsman of the year' by the FA. Our welfare Officer Mary-Kate was also recognised by Dunham F.A and relieved 'The Bobby Moore award' at the grassroots award ceremony. This allows all our trainings and matches to be carried out in a fun and safe environment.

We have a fantastic committee who work hard to give kids, parents and volunteers the best grassroots experience and great memories. Organising fundraisers, seasonal parties, summer camps, football tournaments and so much more.

As a charity we always appreciate donations from businesses who help support us by sponsoring teams with new kits and equipment, in the holidays we had fruit donations from a local business passion for fruit to help promote healthy living.

Future plans

This year the club was able to secure a clubhouse at our Campground to offer better facilities to our grassroots members. With future plans of opening it up to our community so more people can benefit from our clubs grounds. If you are part of an organisation who would like to use our grounds and facilities for other uses we would love to know how we can help.

Girls football
Within the last 3 years our girls teams have grown rapidly, we are looking forward to seeing more girls entering our club across age groups within the next few years. Currently we have 205 male players and 71 female players registered at the club.

As a growing club we are continually improving our Campground with plans on modifying our carpark for easier access in all weather conditions.

Along with funding from the national lottery and Suez for campground improvements. All teams take part in fundraising for their teams individually this helps send our kids to tournaments, and promotes team building activities in our football family.

We are looking forward to welcoming new faces at our grounds as we continue to grow our club! Hope to see you soon.
